

Dear Guest

We are now writing to let you know that, due to the important Government instructions outlined by the Prime Minister on Friday 20th March, we are temporarily closing Mercure Aberdeen Ardoe House Hotel and Spa from the 1st April to the 30th April 2020.

In addition, as of the 21st March 2020 as instructed by the Government, we have now closed the restaurant, bar and leisure facilities as part of the nationwide measure to limit the spread of the Coronavirus outbreak. Any residential guests staying at the hotel until 31st March 2020, will be able to order food and beverages from our room service menu, which will be served to your bedrooms.

We will, of course be in touch with you on a regular basis to update you on any developments.

We would like to take this opportunity to thank you for your support and understanding during these uncertain times.

You're sincerely,

Mercure Aberdeen Ardoe House Hotel and Spa
